

# ON THE EDGE OF BREAKTHROUGH

The EHE Foundation is the leading global advocacy and research organization for epithelioid hemangioendothelioma (EHE).

## INITIATIVES & PRIORITIES

- » EHE 360
- » EHE Global Patient Registry
- » EHE Biobank
- » Research Grants Program
- » Advancing EHE Research
- » Driving Collaboration
- » Working Toward a Cure

Bringing the best minds in research and industry to EHE, we are accelerating the pathway from discovery to treatment, and including the patient's voice at every step. Our pledge to the EHE community is an unwavering commitment to pioneering research, innovative funding, and groundbreaking drug development for EHE.

Momentum is happening in EHE research and therapeutic development. The EHE Foundation is leading the charge toward a world where EHE is easily diagnosed and treated - better yet, cured!
