

Liposarcoma Support Network is a program of

EDUCATION & SUPPORT

LSN PROVIDES ESSENTIAL RESOURCES AND A STRONG COMMUNITY FOR LIPOSARCOMA PATIENTS & CAREGIVERS.

PERSONALIZED GUIDANCE

Provide personalized assistance to those navigating the complexities of liposarcoma, including the tools and resources needed to make informed decisions at every stage of this journey.

EDUCATIONAL RESOURCES

Offering access to up-to-date information on liposarcoma including webinars, free patient educational conferences, treatments, clinical trials, and expert Q&A sessions.

PATIENT & CAREGIVER MENTOR PROGRAM

Create a safe and supportive environment for patients and caregivers to connect, share their experiences, and support one another one-on-one.

SUPPORT GROUPS

Encouragement and support for patients & caregivers, including appropriate resources and emotional support for those navigating this disease journey.

LIPOSARCOMA IS THE MOST COMMON TYPE OF SOFT TISSUE SARCOMA & ACCOUNTS FOR ~20% ALL SARCOMA CASES EACH YEAR

RESEARCH

PATIENT REGISTRY PLATFORM

As part of the *LRG Patient Registry*, this platform will collect the natural history of those living with liposarcoma to provide time-sensitive perspectives on side effects & treatments, and ultimately influence clinical trials & research.

VIRTUAL TUMOR BOARDS

A collaborative multi-disciplinary program, where leading specialists discuss challenging cases worldwide.

CENTER OF EXCELLENCE DIRECTORY

Providing our members with the opportunity to access our longstanding relationships with sarcoma specialists & centers around the globe.

ADVOCACY

LSN helps facilitate access to treatment and impact changes in legislation and treatment guidelines.

Providing support to members through education, outreach, and collaboration with healthcare providers and policymakers delivers improved access to care and promotes informed decision making.

MISSION

Liposarcoma Support Network (LSN)

is committed to enhancing the survival and quality of life for people living with liposarcoma through patient-powered research, education and empowerment, global advocacy efforts, and guiding their journey toward a cure.

The Life Raft Group has a long history of supporting rare cancer communities, and this new initiative reflects the organization's commitment to expanding resources for underserved populations.

With the help of partners in the patient advocacy community, the LRG aims to broaden awareness of liposarcoma and foster collaboration across organizations to better meet the needs of patients.

Join us in our mission to provide support, advocacy, and hope for everyone affected by liposarcoma.

Together, we can make a difference!
