

# International Leiomyosarcoma Research Roundtable

Established 2019

“Where Purpose Meets Progress In Achieving More Together”

## *THE SCIENTIFIC THINK TANK FOR LEIOMYOSARCOMA*

Four research work groups with focus areas in progress throughout the year:

- Clinical Trials – unmet needs perspectives in research / clinical trials
- Gynecological Studies
- Cell Lines / Multi-Omics
- Imaging Strategies / Radiomics

In Partnership:  
The National Leiomyosarcoma Foundation (NLMSF)  
The Sarcoma Patient Advocacy Global Network (SPAGN)

**Sarcoma  
Patient Advocacy  
Global Network**
