

CELEBRATING
25
YEARS 1999-2024
SARCOMA ALLIANCE

Striving to improve the lives of people affected by sarcoma through education, guidance and support for over a quarter of a century

Some of the services and resources we provide to the sarcoma community:

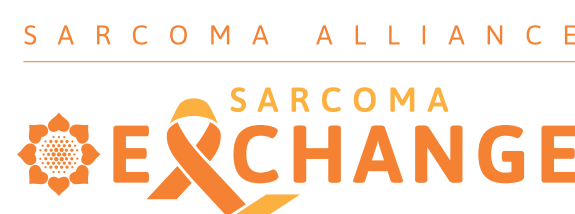

Website with helpful resources for sarcoma patients, their family, and caregivers — including our new patient guide, an interactive map of sarcoma medical centers, access to support groups and sources of financial assistance

Grants of up to \$1,000 from our Assistance Fund for out-of-pocket costs incurred in connection with obtaining a second opinion from a sarcoma specialist

Annual conference offering the latest information from medical professionals specializing in sarcomas, patient-support professionals, and sarcoma survivors

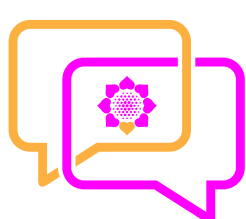

A sense of community and practical advice from our active online support group with over 14,000 members

One-on-one mentorship from someone facing a similar diagnosis through our partnership with Imerman Angels

Regular updates about developments in sarcoma research, treatment and support via facebook, Instagram, YouTube, and our digital newsletter

A wide variety of activities celebrating Sarcoma Awareness Month each July in concert with our fellow sarcoma support organizations

**TOGETHER,
 WE CAN
 MAKE A
 DIFFERENCE**
