The Sarcoma Community Connection

- A cross section of pan – cancer / pan sarcoma and specific sarcoma subtypes represented, coming together to address unmet needs in patient care and treatment outcomes.
- The collective voices within the Coalition Roundtable Network bring ideas and shared goals where projects emerge for collaborative execution and positive impact for patients and families.
- The collaborative spirit of the Coalition membership embraces patient advocacy and research alliances to make positive contributions for meaningful impact within the Sarcoma Community.

July is Sarcoma Awareness Month!
